

MIKIMOTO
COSMETICS
SALON DE BEAUTE

Let us nurture your beauty
just like culturing pearls.
Experience our high-quality treatment
provided entirely by human hands.

Mikimoto Cosmetics Salon De Beaute
meticulously takes care of the fatigue and
oppression you experience in your daily life and
brings back the inherent beauty of your skin.
We give our full attention to your skin, easing
skin problems that cannot be resolved with the
power of pearls and treatment provided entirely
by human hands.
Please give yourself up completely to satisfying
moments, like a pearl sleeping inside its shell.

Face Basic Course

Treatment course for 90 minutes (requires 120 minutes in total):
19,800 yen (including tax)

Realize pearl-like skin with the excellent treatment provided entirely by human hands.

It is a basic course recommended to customers who use Mikimoto Cosmetics Salon De Beaute for the first time.

Treatment provided entirely by human hands that works on muscular tissue, making skin bouncy while improving face lines that tend to loosen, promotes blood circulation, and encourages an increase in the transparency of skin by facilitating the excretion of waste products.

The face pack can be selected from five types (moist pack, white pack, lift pack, refresh pack, sensitive pack), according to the type of skin trouble.

Cleansing > Suction > Lotion pack/decollete treatment >
Facial treatment > Five-types selection pack > Skin conditioning

* The lotion pack can be changed to a sheet pack for 1,650 yen (including tax).

Face Light Course

Treatment course for 60 minutes (requires 90 minutes in total):
13,200 yen (including tax)

Treatment provided entirely by human hands promotes blood circulation and facilitates the excretion of waste products, which allows the realization of transparent skin in a short amount of time.

It can be used also as an effective care course for busy customers.

Cleansing > Lotion pack/decollete treatment > Facial treatment
> Sheet pack > Skin conditioning

* The sheet pack can be changed to the five-type selection pack for 3,300 yen (including tax).

Face Luxury Course

Treatment course for 90 minutes (requires 120 minutes in total):
27,500 yen (including tax)

This thick black-pearl treatment will result
in an impression of agelessness

It is a treatment provided entirely by human hands, intensively attuned to the skin concerns of the aging-care generation. In this course, we lavishly use cosmetics containing Black Pearl Conchiolin®*1, a substance developed originally by our company from black-lip pearl oysters.

The treatment will access each cell*2 that is aligned deeply inside the skin*3 to bring moist, bouncy, and resilient skin.

Cleansing > Suction > Face Peltier treatment*4 > Decollete and facial treatment > Luxurious pack > Skin conditioning

*1 Amino acids, peptide, and Hydrolyzed Conchiolin Protein extracted from the nacreous layer of black-lip pearl oysters (moisturizing component)

*2 Horny cell *3 Horny cell layer *4 Peltier treatment is a hot and cold treatment using aesthetic equipment.
