

A refreshingly cool mist created
from the bounties of the sea

**Silky, hydrated, and cool in an
instant**
For fresh summer skin,
whenever you want.

TONING MIST

MIKIMOTO
COSMETICS

Spray-on freshness!

A refreshing mist that cools as it tones.

- Promotes skin that gives your makeup staying power

This spray cools and tones skin for which greasiness and enlarged pores are a concern, leaving it feeling refreshed.

- Silky skin on the surface, hydrated below*¹. Cooling.

Moisturizes and tones to address the greasiness and dryness to which summer skin is prone, while the Moisture Booster Veil*² coats the skin's surface.

- Contains ingredients derived from the nacreous layer of pearl oyster shells and seaweed, for long-lasting moisture

- Pearl Conchiolin*³ • Pure Pearl Minerals*⁴

- Algae extract*⁵ • Zostera marina extract*⁶

TONING MIST (Astringent lotion)

120mL 5,280 yen (tax included)

Fragrance-free • Color-free • Formulated with ultrapure water • Allergy tested
(This does not guarantee that allergy reactions do not develop for everyone.)

〈How to Use〉

Hold container about 20 cm from face, lightly close your eyes, and spray, then blend product in gently with your hands.
